+ FOREIGN TRAVEL

02/2015 – 03/2015 **INDIA**

Experiencing different cultures is very important to me. I used the time and travelled by my own in India.

11/2012 – 07/2013 **DOWN UNDER**

After finishing my studies, I wanted to make one of my dreams come true:
 Travelling six months with my backpack on the other end of our world. I was in Australia, New Zealand, Samoa and Fiji. On my journey, I experienced the local people's life and met people from all over the world.
